

A Message From Las Posas Children's Center

READ THIS MESSAGE BEFORE YOU FILL OUT YOUR APPLICATION

Thank you for your interest in working with us. We are a family owned and operated business. We provide childcare services for school aged children on 6 elementary school sites in Ventura. Our stated philosophy is as follows:

“We believe children are the world’s most precious resource and the greatest gift one can have. Raise them in righteousness today, and they will lead in righteousness tomorrow. To that end, Las Posas Children's Center was founded, and exists today, to support families in raising their children with high moral values and strong character.

Our child-centered approach is designed to enhance the physical, emotional, and social development of each child through structured and unstructured recreational activities in a safe and nurturing environment. We encourage responsibility, self-discipline, and good citizenship, and desire that each child in our program feel accepted, stimulated, secure, happy, and most of all, loved.”

If you agree with our philosophy and think your presence here will enhance our program, and you want to pursue employment with us, here are some ideas to consider and how to proceed form here.

1. Take your time in completing the application. Give it some real thought. You may want to take it home and bring it back later. Be sure to fill out everything, even if you have a resume. Details are important in our business, so be complete and concise.
2. We may verify the information you give us. Make sure you are completely truthful. Don't give any false or misleading information. Honesty is always the best policy, and we demand honesty from each member of our team.
3. We are committed to making this a drug-free workplace. This means we do not permit our staff to work under the apparent influence of, in the possession of, or dealing of drugs or alcohol. If this is going to be a problem, you should not pursue employment with us.
4. We are looking for individuals who are honest, hardworking, and responsible. We are not interested in hiring complainers. We believe that this is a great place to work, and while we don't pretend to think that your employment here will last forever, we do think you will fondly remember your time here forever. If your disposition and outlook on life is a negative one, you shouldn't pursue employment with us. In addition, we need individuals who make good role models for children. If your lifestyle is not consistent with being a good role model for children, you shouldn't pursue employment with us.
5. We have a very good reputation in our community. It is because we take childcare very seriously. We provide professional childcare services. We do things right. We put children and their safety first, and then we provide guidance to support their parents, and exciting activities to stimulate their minds and bodies. If you are willing and able to put the children ahead of yourself, you will do well here.
6. When you have completed the application, you can fax it to (805) 644-1916, email it to info@lpcc.com, or drop it off at any of our sites or corporate office.
