IMPORTANT INFORMATION FOR PARENTS

CAREGIVER BACKGROUND CHECK PROCESS

CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

The California Department of Social Services works to protect the safety of children in childcare by licensing childcare centers and family childcare homes. Our highest priority is to be sure that children are in safe and healthy childcare settings. California law requires a background check for any adult who owns, lives in, or works in a licensed childcare home or center. Each of these adults must submit fingerprints so that a background check can be done to see if they have any history of crime. If we find that a person has been convicted of a crime other than a minor traffic violation, he/she cannot work or live in the licensed childcare home or center unless approved by the Department. This approval is called exemption.

A person convicted of a crime such as murder, rape, torture, kidnapping, crimes of sexual violence or molestation against children **cannot by law be given an exemption that would allow them to own, live in or work in** a licensed childcare home or center. If the crime was a felony or a serious misdemeanor, the person must leave the facility while the request is being reviewed. If the crime is less serious, he/she may be allowed to remain in the licensed childcare home or center while the exemption request is being reviewed.

How the Exemption Request is Reviewed

We request information from police departments, the FBI and the courts about the person’s record. We consider the type of crime, how many crimes there were, how long ago the crime happened and whether the person has been honest in what they told us.

The person who needs the exemption must provide information about:

- The crime
- What they have done to change their life and obey the law
- Whether they are working, going to school, or receiving training
- Whether they have successfully completed a counseling or rehabilitation program

The person also gives us reference letters from people who aren’t related to them who know about their history and their life now.

We look at all these things very carefully in making our decision on exemptions. By law this information cannot be shared with the public.

How to Obtain More Information

As parents or authorized representative of a child in licensed childcare, you have the right to ask the licensed childcare home or center whether anyone working or living there has an exemption. If you request this information, and there is a person with an exemption, the childcare home or center must tell you the person’s name and how he or she is involved with the home or center and give you the name, address, and telephone number of the local licensing office. You may also get the person’s name by contacting the local licensing office. You may find the address and phone number on our website. The website address is <http://cclid.ca.gov/docs/maps/state.htm>

No Cell Phone and Digital Camera Policy

Children cannot bring cell phones and digital cameras to LPCC. There are several reasons for this. Cell phones and digital cameras are valuable and can get lost, stolen, or broken. Cell phones are a distraction and tend to disrupt the camp activities. Children will make phone calls and send text messages to other campers and friends. Children will put on head phones and choose to not participate in camp activities. Some parents have opted out of having their children appear on social media. And most importantly, we don't want hurtful, embarrassing, or harmful pictures taken of children.

We understand you may want your child to have a cell phone so you can get hold of him/her when you need to, but you can call our camp anytime and we will bring your child to the phone or give him/her a message for you.

You acknowledge that you have read the **No Cell Phone and Digital Camera Policy** and will not allow your child(ren) to bring a cell phone or digital camera to LPCC. You further understand that your child(ren) can be expelled from the program if the policies are not followed.

~~~~~

In addition to the above policies, You, the natural parent/ legal guardian authorize the following:

1. Your child's participation in the Las Posas Children's Center, Inc. program and all its activities.
2. Las Posas Children's Center, Inc. and its staff to provide transportation to and from related Children's Center/Camp activities.
3. Las Posas Children's Center, Inc., its staff, and ambulance to provide necessary emergency transportation.
4. Las Posas Children's Center, Inc. staff to provide basic first aid treatment.
5. Any Physician or the medical staff of a licensed hospital or clinic to provide treatment as is necessary until I can be notified. I understand this authorization is given in advance of any treatment being required.

You also understand that there is risk involved with respect to such activities and will assume responsibility and will indemnify, hold harmless and defend the Las Posas Children's Center, Inc., its staff, its officers, and its agents against any claim brought on behalf of my minor child in connection with this program. This authorization will remain effective during the enrollment period of this child, unless sooner revoked in writing to said agent.
